Summary: Yet another depressing poem. I'm not usually depressing, but my grades suck, and finals are coming up soon. I'm dead meat. Literally. So, I write depressing poetry! Besides, I want more e-mails. As always, R/R!!

I Am Alone

I am alone
>
I know it's true
>
My spirit has flown
>
I sob anew
>
>The others, they try to help me
>But I shove them away
>My pain they cannot see
>So when they try to comfort, I say nay
>
Even I can't understand my own behavior
>
It's as though I'm possessed
>
Yet who would be willing to be my savior?
>
Who would give me a single caress?
>
>You think I'm cold and unfeeling
>And I seem to have not a single friend
>Yet if I show my feelings
>I fear it would be the end
>
I have put a barrier before me
>
And permit no one to cross
>
Like a locked door with no key
>
I would keenly feel a loss
>
>Once I opened up my heart
>To have it taken from me cruelly
>Anew, the pain does start
>And the wounds, they anger newly
>
So finally, I have given up
>
No one can change my mind

>
Tonight will be my last sup
>
Peacefulness I will finally find
>
>At last, I can say goodbye
>I have no more to atone
>And I say, with a sigh
>I truly am alone
> <p><p>
